

Scent Detection Workshop

A 6 week workshop to introduce you and your dog to the world of scent work. This workshop will help prepare you for scent trials and competition

Details:

Start Date: September 23

Time: Thursdays 7-9pm

[No Class - October 14]

Price: \$300/Dog

Capacity: 6 Dogs

* Masks are encouraged for those who are unvaccinated or at high risk*

1

Enrichment for your dog. Scent detection exercises your dog mentally. It also builds their confidence by teaching them to think independently.

Scent detection is great for any size, age or breed of dog. It's an accessible training option you can practice right in your home.

2

Quick Note

Dog's with high food drive tend to have quicker success in scent detection.

Supplies

- Harness
- Wide Flat Collar
- Treats
- Leash
